

CO STATE LADIES AUXILIARY

- August 2010 -

The "hazy, lazy days of summer" are upon us!

Congratulations to all the newly installed auxiliary officers. Please rely on your immediate predecessor. She has a wealth of do's, don'ts and information to share with you. If all else fails, call us. Your state officers are here to help. Welcome aboard and here's to a blessed year

To the outgoing officers, please remember the oath you took at your installation..."I will turn over to my successor all of the Property of the auxiliary committed to my charge upon the end of my term." This doesn't just mean your files. All that you learned to fulfill that position should be passed along. Help your newly installed sisters to ease into their positions. It will go a long way to keeping the positive energy your auxiliary needs during this transition.

Summer is in full swing; everyone is either going on vacation or stay-cation and enjoying their summer. Have a wonderful time with your families, stay safe and don't forget to take God along with you.

Your sister in Christ,

Dolly Castle

Your State L.A. President
